LFG!

BY FOURACEMASTER

It's happening. I repeat, IT IS HAPPENING! Gamblers have been forced to sit wayside or subject themselves to online casinos, or worse, "practice mode" casinos. F that nonsense. The plague has not been as plaguey as promised. Humans, whether their medical and state overlords agree or not, have decided to turn the page. And humans want their ability to kill brain cells, liver cells and checking accounts ASAP via casino life. LET'S GO!

Enter the Indian casinos. The brilliant irony – once decimated by Western diseases, now they are the first to open their doors and allow Western culture the chance to infect ourselves while we take a chance at becoming rich – I love it. I am on board. LET'S GO!

The Dakotas, Carolina, Arizona and now Florida are rolling. They have their execution and contingency plans in place. Casino-goers will have to be sort of obeying the rules for at least a month before everyone says fuck it. LET'S FUCKING GO!

Only thing left are the state casinos. Everyone has their eyes on Las Vegas, because they need a win more than anyone other town – LV depends on tourists, depends on visitors, and are trying to land this plane so that the second half of the summer season they can open up their pool and bar bottle service. It's going to happen. The long wait will ensure the numbers are headed in the right direction. I will be Mai Tai sipping and casino dipping in no time. LFG!

KNOW THE ODDS

ALWAYS CHECK YOUR GAME'S PAYTABLES

It's happened so many times. I sit down at a machine or a table. The cards start coming by, the wheels are spinning, the action is on, but something's off – I keep digging into my pocket. And then it hits me – WTF type of shitty odds does this game have!?!?

It never ceases to amaze me. It's another one of those intentionally or unintentionally misleading tricks the casinos play. Yes, this blackjack table has 8 decks but *also* we're paying 6 to 5 on black jack. *Oops*, this double double bonus poker machine pays 35 to 5 on full house. *I'm sorry*, this slot machine only pays on 25 lines at these denominations.

It's the casino's prerogative to change these payouts and wagering rules but it's also your obligation to seek out the best chance for return on your money, right? And in some cases, these rules work in your favor, like 100X Craps betting (god I love it) and \$1 minimums on certain house games played at tables.

There will be times when you don't have a choice – it's not uncommon for me to play 6:5 BJ because I don't want to play \$25 minimums. Many times, I am forced to take a hit on video poker payouts because the casino tries to pay 239 credits on their four of a kinds (this is done so any hits playing \$25 a hand doesn't require a W2. Convenient but also you are surrendering \$55 for that).

So be smart. When you see a game you like, or a table that looks hot, take a quick look at the signs on the felt first, open up the help section in the monitor to see pays and make sure that bonus feature you like is available here. And for the love of God, check the max bet credits, so you don't accidentally bet \$100 dollars and have a heart attack when you lose all of your money in three drunken spins. It's too painful 😊

LV LOVE LETTERS

BY JBOOGIE

DEAR LAS VEGAS,

The time we have spent apart, I must say not by choice, but by duty, since this ugly war against an invisible enemy has ensued, may have you in question of where I stand in this relationship. I need you to know that I think of you every day and dream of how, someday soon, we will be together again and overcome this hardship. I will return home to you, as I have before.

I remember our home vividly. The first time, almost 20 years ago, now. I was a nervous boy, excited and stupid. We had been driving through the desert for eight hours when I found you. I've heard the stories, gotten chills about the legend. Would we get along? Or would you be cruel as you had been to so many others?

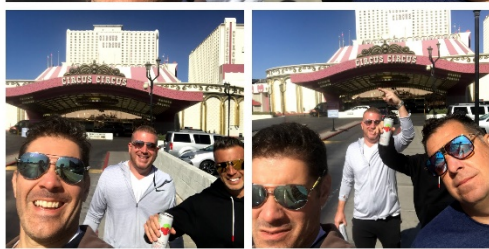

We pulled into your beautiful city hidden amongst the desert sands. I stepped out of the RV and took a deep breath... you were so radiant...so bright, and so beautiful.... I was infatuated. I knew right then and there...you were not like the others; you were something SPECIAL.

I remember all ~~most~~ ~~many~~ some of our amazing nights together as if they happened yesterday. Many stories had to be told to me, like a legend I could not believe had happened. But I still know those moments were incredible with you.

I remember the first time we arrived at the Panoramic Suite (#PHStrong) with a bottle of Prosecco in one hand and #NewEdition tickets in the other. The view of the strip, the chunk of change we through down to get the room – worth it.

We made it to the concert, with the greatest group ever #RBRMRJ. I was there with you.... smack dab in the middle of the aisle....singing, dancing, and grinding with your people. At that moment, I knew we were soulmates.

And this slow burning fire of love turned into a raging flame. I can't sleep when I am with you. I cherish every moment. We're are up at 6am, we roll into the pool at 10 AM like we had a fresh night's rest. We drink mimos and laugh and win some \$ on the Buffalo, eat #Bruxie'sChickenandWaffles. Those times I can never forget. Sometimes I don't have a choice to remember, but even with all that, you are the most real and beautiful thing in the world to me.

In closing, I want to tell you that no matter what and no matter how long it takes, we will see each other again. We will be together again. Hopefully without a mask - hard to get a drink down with one of those on and the mask straps hide my awesome fade.

I miss you, I love you, and I can't wait to show my one true love the attention she deserves... Until we meet again, I am your constant,

J Boogie

SLOT REVIEWS

LIGHTNING: SAHARA GOLD

Hot Take: A fun machine. I like to let the machine breathe when it is pays on anything but the degenerate in me wants to slam that Spin button as fast as possible.

Overall: This machine has good payouts for 5 of a kind. Most of the time you are praying for the Hold and Spin feature.

Special Feature: Free games or Hold and Spin chance triggered on three or more Taj Mahals. Hold and Spin feature triggered on 6 or more lightning link balls dropping on screen. Hold and Spin feature is active until 3 spins without another ball dropping or all 15 spots are filled in, which awards the progressive Grand jackpot.

Pros: While Hold and Spin feature is great, the Free Game spins can be phenomenal if you get 200 wilds added.

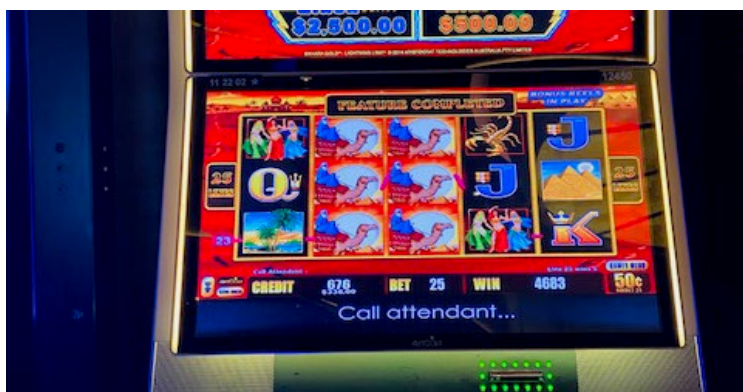

Cons: These machines will suck your money away so fast you'd think it was three card monte.

Description: 5 reels, 25 and 50 line play, depending on denomination.

Bet: Bet varies from 5 credits a hand up to 500 credits a hand.

Casinos to Play At: Most casinos carry this game.

CASINO REVIEWS

HARD ROCK ATLANTIC CITY IS BELLA | 8 OUT OF 10

Overall (8/10): My biggest hits have come from this casino so I am definitely biased. Great atmosphere, great rooms, great action. My only gripe is there is not enough video poke machines.

Style (8/10): This casino is beautiful but not like a Bellagio - it's the essence of what you want a rock and roll casino to be.

Fun (8/10): This casino has a phenomenal lobby bar and great entertainment throughout the place. Their staff is focused on keeping the energy going.

Hotel Rooms (8/10): The hotel rooms are newly rennovated, the suites are sweet. Just know there's no balcony access from any of the rooms.

Favorite Machines: The \$2, \$5, \$10 Video Poker machines in High Limit

Parent Company: Hard Rock

Location: Atlantic City, NJ

Rewards Program: Wild Card (note: comp points earned here can **NOT** be redeemed at other HR managed properties and do not count towards other property tier levels).

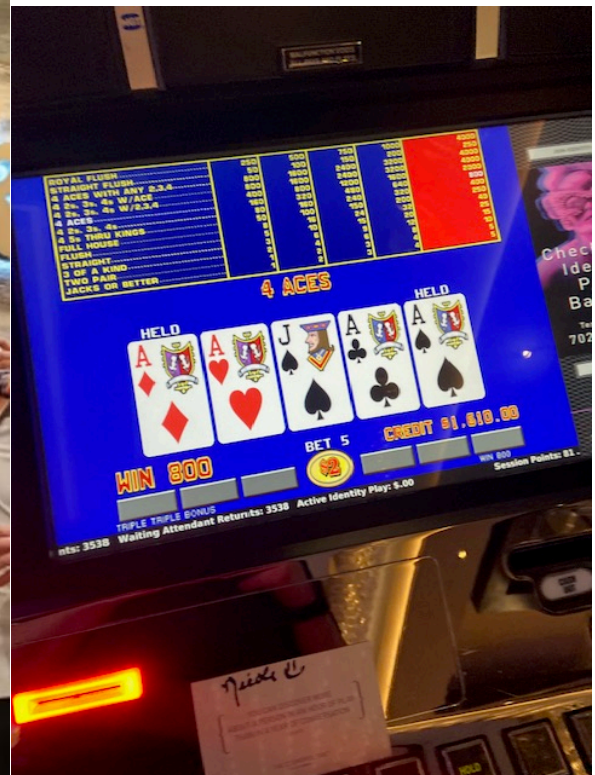

Hot Slot Times: Largest hits have come Saturday afternoon, but I've been saved here in the middle of the night around 4 AM.

Food: Go to Il Mullino. They have a regular restaurant and a fancy one there as well. In NYC this is an exclusive place to eat. Their mussels are the best.

People: Traditional blue collar Hard Rock peeps.

Pool: Gigantic olympic sized swimming pool, great for families.

Entertainment: Tons. Two casino bars, both with access to bands, one nightclub, one concert hall and plenty of events.
